

# Flagstaff Hill Golf Club's New Web Site

The Flagstaff Hill Golf Club has a new web site, under the same address, [www.fhgc.com.au](http://www.fhgc.com.au).

Much information, including competition results, is available to everyone, without logging on. To see the **Member Area**, Members will need to log on, to allow access to **Booking Sheets**, **Member Directory**, **Member News**, and other Member related information.

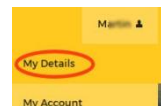

## Logging on

To log on to the new web site, click the **Login** menu item and enter your Member Number and Password.

## IMPORTANT

Old 6 digit Member Numbers have been replaced by a 5 digit Member Number, by omitting the LAST digit. For *most* Members, this will coincide with the last 5 digits of your GolfLink number (50202xxxxx) if you have one, but not in all cases. To make this change easier, new member cards will be provided as soon as practicable – more details will be provided about how and when these will be made available.

Your initial password will be reset to day and month of birth as a 4 digit number, eg 2301 for 23<sup>rd</sup> January. If you have changed your password in the current web site, you will need to do this again in the new web site under **My Details**, as we do not have access to passwords for security reasons.

When you have logged in you will be taken to the Member Area main page. Depending on your device you may remain logged in until you log out. If so, you should view the Home page  on a regular basis to see general information that may be updated.

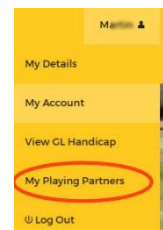

## Booking Tee Times

The process for making tee bookings is easy to use. Just click on a booking sheet in the CURRENT BOOKING SHEETS area of the Member Home page, below the scrolling news panels.

Whenever you make a booking for another person, they will receive an email advising them of that booking, and similarly if you remove someone that you have booked.

**Cart bookings** will not be available on line. To book a cart, speak to Pro Shop staff.

You can define your regular Playing Partners under the **Playing Partners** item under your name (Top Right). This will make it easier when booking your friends to play. Unfortunately, the list of Playing Partners you may have defined on the current web site will not be automatically transferred to the new web site, however it is a very simple process to select the members of your group again.

If you are a Platinum Member on the “Saturday Permanent Booking Sheet” your name will be added for you on the Friday morning 8 days prior to play, before the sheet is opened on-line, and you will receive an email advising you of the booking. Please remove your booking if unable to play, and advise the Pro Shop on 8270 2208 if you plan to be absent for an extended period – they will remove your name from the pre-booking and re-insert it in time for your return.

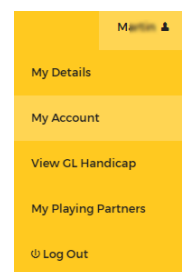

## Competition Results

Results for competitions played after the commencement of the new site will appear on the Member Home page below the booking sheets, and under the **Golf** menu, **Competition Results**. For your convenience, past results from 1/1/2018 will be available under **Golf/Historical Results**.

**Special Competition Results** will also appear under **Golf**.

## My Details

You can view your details under the **My Details** menu, under your name at the **Login** area top right, or under **Member Area**. Here you can change your password, and click to send an email to the office to update any other details. It particularly important to keep us up to date with your phone and email details so we can keep you informed.

## My Account

Here you can view the current balances of your various accounts. Transaction listings are *not* currently available.

## Member Area home page

On the Member Area page you will see a summary of Member News, General News, recent results, your current bookings and booking sheets that are open. More detail of News items is available by clicking on the item in the scrolling list, or by visiting **Member News**. The scrolling list only shows the 5 latest items.

## Other Information

There are many other pages on the new web site that provide interesting and useful information, including **Local Rules** (under **Golf**), **Living Choice** and **History** under **About Us**, and **Pennants**, **Women’s News**, and **Nine Hole Seniors** under the **Member Area**. Like any web site, these can be found by exploring the menus.

Let’s not forget our sponsors, with their scrolling logos at the bottom of every page linked to their web sites where applicable.

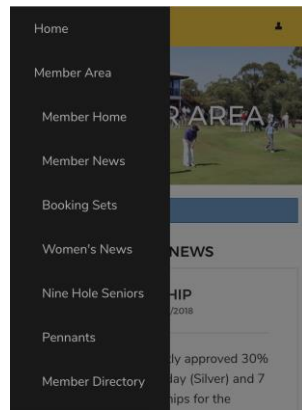

The footer at the bottom of every page also contains a snapshot from our **Facebook page** – click to view the full Facebook page for other current news.

## Mobile Device Access

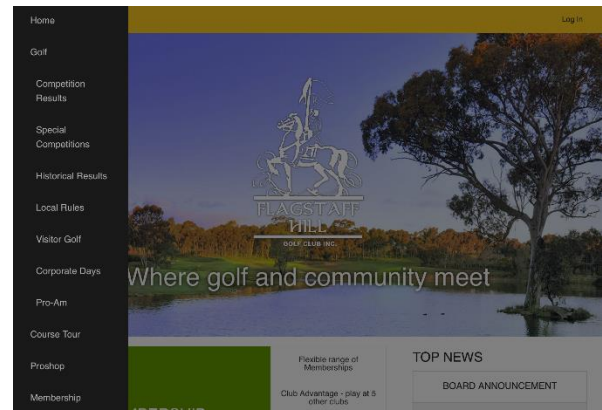

The new web site automatically adjusts to suit PC, Tablet or Mobile Phone access to the full web site. Menus on a mobile phone will differ in appearance, conforming with the modern approach of menus on the left in an overly view. Samples on iPhone and iPad are shown below, and may differ on other devices:

Main page on iPhone

Side Menu bar on iPhone

Menu bar on iPad

To access the menu for My Details etc on a mobile, tap on the People icon that replaces Log in at the top right of the screen.

## Pro Shop Touch Screen Computers

Access to the Club Website is now available on the touch screen computers in the Pro Shop. If you swipe your card or log in via the Search button top right, and tap on Club Website, your member number will be put in but you will need to enter your password to log on. Please click the Home button top left when done to log out so the next person accessing the website does not do so under your name! An inactivity timeout will log out after a minute or so.

We hope you enjoy our new web site, and welcome constructive feedback and suggestions for further improvement.
